Chancellor
Inter American University of Puerto Rico – San Germán
P.O. Box 5100
San Germán, PR 00683

Dear Prof. Mojica,

This letter is to acknowledge receipt of your correspondence indicating your decision to voluntarily cancel your Site Review and allow your CAEP Probationary Accreditation to lapse. Our records will reflect that the educator preparation provider (EPP) at Inter American University of Puerto Rico - San Germán will hold CAEP Probationary Accreditation until its lapse on December 31, 2021.

Your EPP's accreditation status has been changed in the CAEP Accreditation Information Management System (AIMS), and your EPP must pay annual dues and submit an Annual Report until the above date.

We understand your decision to allow your CAEP Probationary Accreditation to lapse. You are welcome to reapply to CAEP after your lapse date. This decision to lapse will not be considered in any future accreditation decision; however, any prior decisions and related information will remain in the EPP's permanent record with CAEP. Please feel free to contact me if you wish to further discuss your reasons for lapsing.

Sincerely,

A handwritten signature in black ink that reads "Christopher A. Koch". The signature is written in a cursive style with a large initial "C".
