San Germán Campus
Teacher Education Program

**GENERAL INFORMATION ABOUT THE TEACHER EDUCATION PROGRAM (TEP)
AT THE SAN GERMAN CAMPUS
OF THE INTER AMERICAN UNIVERSITY OF PUERTO RICO
(For Academic Year 2012-2013, posted on April, 2014)**

Introduction

The TEP is an institutional program offered in eight campuses or institutional units of the Inter American University of Puerto Rico. Its conceptual framework is included in the *General Catalog 2011-2013* (IAUPR, 2011). This program includes the general education requirements, in addition to the major and core courses' components. The TEP is exactly the same for all campuses that are authorized to offer it.

The San Germán Campus offers a Bachelor of Arts degree in Preschool Level Education; Early Childhood Education (levels K-3rd and 4th-6th), Secondary Education (Biology, Chemistry, History Mathematics, Science, Social Studies, Spanish and English); School Health; Physical Education and Recreation (Elementary and Secondary levels, and Adapted); Special Education; Teaching English as a Second Language (Elementary and Secondary levels); Art Education; and Music Education. These options or majors meet the requirements for teacher certification granted by the Department of Education of Puerto Rico (DEPR, 2004).

The TEP's organizational chart is presented in Figure I. It is one program that is administered by two academic departments. The Department of Education and Physical Education is in charge of the options or majors: Early Childhood: Pre-school, K-3rd and 4th-6th; Teaching English as a Second Language (TESOL): Elementary and Secondary; Special Education; School Health; Physical Education: Elementary, Secondary, Adapted; and Secondary Education: Biology, Chemistry, History, Mathematics, Science in the Junior High School, Social Studies, and Spanish. The Department of Fine Arts administered the options or majors: Arts Education (Visual Arts), and Music Education (General-Vocal, and Instrumental).

Majors and Enrollment

The IAUPR curriculum is composed of three interrelated components: general education, specialization (majors) and electives, which address the holistic development of the student in terms of a liberal arts education. The TEP offers 20 majors (IAUPR, 2011). The TEP's curriculum consists of the following components:

1. General Education – This component, which offers a comprehensive education of human knowledge, is structured on the following categories: Basic Skills, Philosophic and Esthetic Thought; Christian Thought, Historic and Social Context, Scientific and Technological Context, and Health, Physical Education and Recreation.
2. Core – This component includes the education courses that offer professional knowledge to the teacher candidate. Its areas are: Fundamental Knowledge, Methodology, and Field and Clinical Experiences.

3. Major – The major includes the courses oriented toward the specific subject-matter knowledge for the teacher candidate.
4. Specialization – The specialization requirement is present in the Physical Education Major, where the teacher candidate selects a specialized area (Adapted, Elementary Physical Education and Secondary Physical Education).
5. Electives – Electives refer to free courses that the teacher candidate can take according to his/her interests and needs.

The majors, components and total of credits of the TEP in the San Germán Campus are presented in Table 2. The difference in the number of credits is due to the process of curricular revision that the TEP underwent in the last years. The changes had taken into account the changes in the requirements of de DEPR for the teacher certification or license, and the areas that need to be strengthened according to the results of the certification standardized test known as *Pruebas para la Certificación de Maestros de Puerto Rico (PCMAS)*.

The Teacher Certification Tests of teacher candidates is known as PCMAS (*Pruebas para la Certificación de Maestros*). It is administered each year by the *College Board*, Office of Puerto Rico. The passing scores and the *Institutional Level Pass Rate* as reported by College Board is presented in Tables 5 and 6. All majors evidenced bigger means than the passing scores. Both levels (elementary and secondary) evidenced bigger means than the passing scores. The TEP’s pass rate mean, in six years, is 80.5 vs statewide pass rate mean (81.2). Both performances are interpreted as satisfactory, and have a positive and strong correlation.

FIRST-TO-SECOND YEAR RETENTION RATE

Retention rates measure the percentage of first-time students who are seeking bachelor's degrees who return to the institution to continue their studies the following fall. The retention rates First-time students pursuing Bachelor's degrees for the San Germán Campus is: 74% for Full-time students, and 60% for Part-time students (began their studies in Fall, 2011 and returned in Fall 2012).

OVERALL GRADUATION RATE AND TRANSFER-OUT RATE

The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate. It tracks the progress of students who began their studies as full-time, first-time degree- or certificate-seeking students to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled. Some institutions also report a transfer-out rate, which is the percentage of the full-time, first-time students who transferred to another institution. Note that not all students at the institution are tracked for these rates. Students who have already attended another postsecondary institution, or who began their studies on a part-time basis, are not tracked for this rate.

For the San Germán Campus of the IAUPR, 86% of entering students were counted as "full-time, first-time" in 2012. The overall graduation and transfer-out

rates for students who began their studies in Fall 2006 are: 40% for overall graduation rate, and 4% for transfer-out rate.

BACHELOR'S DEGREE GRADUATION RATE

Bachelor's degree graduation rates measure the percentage of entering students beginning their studies full-time and are planning to get a bachelor's degree and who complete their degree program within a specified amount of time.

The graduation rate for students pursuing Bachelor's degrees at the San Germán Campus is:

- Percentage of Full-time, First-time Students who graduated in the specified amount of time =
 - 4-year: 10% for students who began in Fall 2004; 15% for students who began in Fall 2006;
 - 30% for students who began in Fall 2004, and 39% for students who began in Fall 2006, and
 - 37% for students who began in Fall 2004.
- 6-year graduation rate by gender for students pursuing Bachelor's degrees: 31% male, and 45% female.
- 6-year graduation rate by race/ethnicity for students pursuing Bachelor's degrees: 100% Hispano/Latino.
